

# **THE INTERNAL SECURITY ACADEMY**

## **1. General**

The rapidly changing pattern in the society violence has made the problems of Internal Security more complex & complicated. Economic distress, prevalent social inequalities and extremist activities coupled with rapid technological advances have added to the difficulties of administrators in handling Internal Security problems. It was, therefore, felt that Police Officers and Administrators should be exposed to the developing trends in various aspects of Internal Security with a view to sharpen their perception and to devise better tools and techniques for handling these problems.

The Internal Security Academy was established under the aegis of Ministry of Home Affairs, Government of India at Mount Abu (a hill station at an altitude of approximately 1200 mtrs in the Aravali ranges in Rajasthan).

The Academy has been identified as Centre of Excellence in the matters of Internal Security & related issues. It also offers facilities for research studies on Internal Security and related subjects and will expand its source base through tie-ups with similar institutions in and outside the country. The Academy conducts the following Internal Security Courses:--

1. Junior Level Internal Security Course for Dy.S.P/ SDMs of States / CPOs.)
2. Senior Level Internal Security Course for S.P. / D.M. / Commandants of States / CPOs.
3. Internal Security Strategy Management Course for Deputy Inspectors General of Police of States / CPOs.
4. Vertical Interaction Course on Internal Security for IPS officers.

## **THE MISSION OF ISA**

The primary mission of the Internal Security Academy is to prepare officers with right attitudinal orientation for the police organizations and other services for their assigned tasks and responsibilities with uprightiness, dedication and a strong commitment of service to the people. The Academy will aim at quality training with total quality management of the Institution. It will endeavor to inculcate in the trainees, professional knowledge and skills, attitudes, values and norms which would enable them to serve the Nation better. The Academy will be a "Centre of Excellence" for training and research in various fields and will bring responsiveness, commitment, awareness, infusion of scientific temper and accountability.

The Academy, by using various strategies will sensitize its trainees to the fast changing social, political and economic milieu, and will inculcate respect for human rights, broad liberal perspective of law and justice, high standards of professionalism, physical and mental alertness and specialization in various fields. The academy will be a focal point for training officers of C.R.P.F., Central Police Organization, Indian Police Services and other Central/ State Police Services who have to deal with internal security challenges. It seeks to create an ideal training environment and sensitization to socio-

economic and political environment. The Academy will adopt itself to the changing needs of the trainees and will expand its resource base through tie-ups with other training institutions and academic centers in and outside the Country. The Academy will play a pro-active role by imparting a correct vision and right ethical values to its trainees. The Academy will have the quest for true inspiring excellence in training and research.
